Investment Strategy and/or Investment Horizon as selected under items 1(a), 1(b) and / or 2 above shall also be applied to all unit funds that had already been allocated in the policy in such a way that these funds will be switched, according to terms and conditions of the policy, at the policy anniversary so that the total investment value after switching shall consist of investment value of the specified unit funds in the same proportion as stated in the Investment Strategy selected in respect of each policy year. This funds switching will be performed automatically at each policy anniversary based on the unit price at Next Valuation Date after the end of the previous policy year. For all Investment Strategy, the GSR premium (if any) must be in the same fund(s) and percentage apportionment as the BIP. In the case of Investment Strategy 7, if the strategy is not indicated in any of the policy years, the selected premium apportionment and funds switching of the last indicated strategy shall continue to apply until further instruction from the policy owner.

Strategi Pelaburan dan/atau Jangka masa Pelaburan seperti yang dipilih di bawah perkara 1(a), 1(b) dan/atau 2 di atas akan juga diguna pakai untuk semua dana unit yang telah diagihkan di dalam polisi sebagaimana yang dana ini akan ditukarkan, menurut terma dan syarat polisi, pada ulang tahun polisi supaya jumlah nilai pelaburan selepas penukaran akan terdiri dari nilai pelaburan pada dana unit yang ditetapkan pada kadar bahagian yang sama seperti yang dinyatakan dalam Strategi Pelaburan yang telah dipilih pada setiap tahun polisi. Penukaran dana akan dilakukan secara automatik pada setiap ulang tahun polisi berdasarkan harga unit pada Tarikh Penilaian Berikutnya pada penghujung tahun polisi sebelum itu. Untuk semua Strategi Pelaburan, premium GSR (jika ada) mestilah dalam dana dan pengagihan peratusan yang sama seperti PPA. Dalam kes Strategi Pelaburan 7, jika strategi tidak dinyatakan dalam sebarang tahun polisi, pengagihan premium yang telah dipilih dan pertukaran dana pada strategi yang terakhir dinyatakan akan terus digunakan sehingga arahan selanjutnya diterima daripada pemilik polisi.
