DECLARATION & CONSENT

I, the undersigned, hereby confirm that the above answers, given by me, are full, complete and true and agree that they form part of any policy where these answers are or may be, relied upon by the Company. I also hereby confirm that I have taken reasonable care not to make misrepresentation to the Company, and have not withheld any information that is relevant to the assessment or acceptance of this proposal.

Having read and understood the contents hereof, I also hereby authorise any of the Company's appointed medical examiners or designated laboratories to conduct or perform blood and/or urine tests, as may be necessary to underwrite my application for insurance coverage. These may include, but are not limited to, tests for cholesterol and related blood lipids, diabetes, liver or kidney disorders, infection by the AIDS virus, immune disorders or the presence of medication, drugs, nicotine or their metabolites.

Provided that, unless my prior consent has been obtained, the Company shall, at all times, keep all results of any such test confidential and the use thereof shall only be for the purpose of my application or further applications for insurance with the Company except to such an extent that disclosure is required by the Life Insurance Association of Malaysia, any proper Government Authority or by Law, and further provided that the Company shall use all care in carrying out any such test, but shall not be liable for any unforeseen occurrence, act or omission, unless the Company has been negligent.

I hereby further authorise any physician, hospital, clinic, insurance company or other organisation, institution or person, that has any records or knowledge of me or my health, to disclose to the Company or its representative any and all information about me with reference to my health and medical history and any hospitalisation, advice, treatment, disease or ailment. A photostat copy of this authorisation shall be as effective and valid as the original.
